Dr Barton & Dr. Leibsle;

Please consider this email a formal petition for negotiated rule making regarding IDAPA 02.04.21, section 605, Rules Governing the Importation of Animals. Our intent is to have this section removed from the rule.

I also request that IDAPA 02.04.19, Rules Governing Domestic Cervidae, be opened to bring those rules in line with HB 431 which passed the 2014 legislature and was signed into law by Governor Otter.

Thank you.

I make this request on behalf of the Idaho Elk Breeders Association, whom I represent, regarding the rule making process.
